We're Back...!

Within Earshot (WE) has been on hiatus since 2006 and now we're back with new spirits, new committee and new members. WE gives a shout out to the 2008/2010 executive committee for all their hard work; and welcomes the new executive committee 2010/2012.

Hopefully MASH will continue to grow and prosper with the new committee.

WE would also like to take this opportunity to wish everyone *Selamat Hari Raya Aidilfitri* and Happy Malaysia Day! Please do have a safe trip if you are travelling and enjoy the holidays!

The President's Address

On behalf of the Executive Committee I wish to convey our Raya Greetings to one and all! I would like to take this opportunity to thank the previous Executive Committee and all the Portfolio Heads on their commitment in the past. We the new Executive Committee and current Portfolio Heads would like to take a leaf from that book and continue to do our best to serve MASH. At present we are in the midst of re-organizing and getting our bearings in administrative matters. We are excited about forging ahead into new professional frontiers.

We will keep you informed of our development and would like Within Earshot to be the means by which we do so. With this in mind, I thank Nadirah, Cheryl and their team for initiating the circulation of Within Earshot. We look forward to a more professional newsletter with contributions from you, MASH members. Salam Aidil Fitri!

Warm Regards

Melissa Peter
